## **CORSE** CORSICAN WHITE WINE

PRODUCED AND BOTTLED BY LOCATIONS

This marks the first release of our white wine from Corsica, which has been a great deal of fun in the making. Three years of research and development went into finding the best vineyards and winery to partner with to make what we think is a true expression of Corsican Vermentino. The striking label represents the hand crafted Shepard's knives that can be found all over the beautiful island.

### **WINEMAKER'S NOTES**

Tank fermented and true to varietal. The profile of the wine is lively and crisp with blossoming floral aromatics jumping out of the glass. Flavors of fresh green apples, and bittersweet almond are complemented by undertones of Thai basil. This wine is perfect pair all year round as it is enjoyed with a multitude of cuisines and settings.
