

American Wine Society of Colorado Springs

Meeting Notes from March 1, 2016

Thanks to everyone who attended our March event at the Alibi Room. We counted 21 AWS Members and 42 Guests present at this terrific tasting of nine (9) **LOCATIONS** Wines by **Orin Swift**. Photographs have been posted on our new website.

Thanks also to Greg Huesgen, William Gillum and Angelina Acosta for their generosity with the wines we purchased and savored, the excellent wine education and history of Orin Swift Wines that were shared with the group. We enjoyed the special treat that Angelina provided - a taste of wine-barrel aged whiskey called Slaughter House.

Teresa Farney and her husband Jerry attended our March event as our guests. She has provided great publicity in the Gazette Newspaper and on her Saturday radio show called Table Talk on 740AM KVOR Radio. Links to the radio podcasts are posted on our new Website. http://stationcaster.com/player_skinned.php?s=1551&c=8981&f=5261683
