

Great American Wine Company 2012 Chardonnay

100% Chardonnay

Classic American style. The aromas are bold, opening with clean, bright citrus and soft vanilla oak layered over gentle stone fruits. Flavors deliver a similar luxury of smooth fruit, with red apple pie and white peach flavors. Lemon oil and grapefruit add lift to the round, voluptuous palate, accompanying the fruit into a long finish. Pair this generous Chardonnay with traditional dishes such as buttermilk chicken, grilled swordfish or roasted turkey.
