THE PRISONER WINE COMPANY

THE TEAM

With over a decade of winemaking experience at Paso Robles' prestigious Wild Horse Winery, Winemaker Chrissy Wittmann leads The Prisoner winemaking team who along with our family of growers, work together to craft our selection of distinctly stylistic wines. These include: [The Prisoner](#), [Blindfold](#), [Cuttings](#), [Saldo](#), and [Thorn](#).

"THIS IS A FANTASTIC TEAM. EVERYONE BRINGS SOMETHING UNIQUE TO THE TABLE BUT AT THE END OF THE DAY, PASSION FOR OUR WINES BRINGS US TOGETHER."

—Chrissy Wittmann, Winemaker

MORE ABOUT CHRISSEY

"We are minimalist and believe it's up to the grapes to do their thing. It's our job to provide the best environment for them to do so, whether it's during fermentation, barrel aging, or preparing for bottling. Ultimately, all of the wines and their related vineyards have their own personality and we work hard to let each one express itself in the best way."

—Chrissy Wittmann, Winemaker

The Prisoner

2014 NAPA VALLEY RED WINE

Bold aromas of black cherry and plum are heightened by hints of oak and Madagascar vanilla. A soft and velvety palate of anise, dark cocoa powder and roasted sage lead into a dense finish with luscious tannins.

THE WINE ADVOCATE

91 points

"This is outstanding wine... The wine offers plenty of blackberry and cassis fruit as well as some licorice, truffle, and lead pencil shavings. It is full-bodied, again very opulent... and finishes authoritatively."

—Robert Parker, October 2015

SALDO

2014 ZINFANDEL

Sourced from premier Northern California Zinfandel vineyards and appellations

Dark ruby color with bold aromas of blackberry, plum and clove. The entry is rich and full, with juicy acidity encircled in flavors of Mexican chocolate, cherry and vanilla extract. Voluptuous and persistent finish with smooth tannins.

THE WINE ADVOCATE

"Loads of chocolate, cedar, wood, black cherry and mocha notes jump from the glass of this velvety textured, voluptuous and fleshy wine. This sexy beast of a dry red wine should continue to drink well for another 4-5 years."

—Robert Parker, October 2015
