

The Active Management Model is utilised to assess the needs of underprivileged, abandoned, abused and/or homeless children in developing countries- in consultation with educators and service providers.

In March 2011, the efforts of Mrs Olga Salins, Founder and Principal of Little Stars Anglo-Indian School in Rajahmundry, India, was brought to our attention. Mrs Salins school educates underprivileged children whom would otherwise not have access to school.

We are currently the exclusive sponsors of the Little Stars School. Global Transitions, with anonymous donations, 'like gifts from God', has provided funds for text books, stationery, uniforms and maintenance for the full school year ahead. In 2011 a plan was developed with Mrs Salins in line with her dreams and aspirations for her school. We will consider the possibility of expansion of the school to reach more children, and a dormitory to accommodate homeless and orphaned children. 'Stay tuned', The Little-Stars chronicle will be presented shortly.

Thank you for your generosity and for joining me on my mission to make a difference in the lives of children in need of love and protection. Remember, all your donations go to the cause. There are no overheads, directors fees etc. 100% of your donations go into the programs.
