

PARENT REQUEST TO OVERRIDE COURSE LEVEL RECOMMENDATION

(Override not applicable to CTE courses)

Faculty members strive to recommend course levels on the basis of the student’s demonstrated ability, rate of progress, past work habits and effort. If you disagree with a recommendation, you may request to override the recommendation. **When such a request is honored, the student will not be allowed to move to a standard level course after class assignments are made without principal approval.**

_____ requests to be enrolled in **Honors or AP** (circle
(print student name)

appropriate level) _____. I have read the statement above
(print course title)

and realize that my child will not be allowed to move to a standard level course after class assignments have been made.
