

Class of 2022 Sophomore Course Selection

- **Class descriptions, pre-requisites, and course numbers can be found at beechhighschoolcounseling.com/2019-20-registration**
- All students must select 8 classes and alternates for the electives. (Required Classes must be included!!)
- Schedules (courses, teachers, and period) WILL NOT be changed after the end of the school year except for those resulting from computer error, credits already earned, multiples, prerequisites not met, no recommendation, or grad requirement not scheduled.
- Register for Honors/AP classes by recommendation and required prerequisites only. If you wish to take a class for which you are not recommended, your parent will need to sign an Override Form (available at beechhighschoolcounseling.com/2019-20-registration)
- Upper level CTE courses have required prerequisites. Waiver forms *cannot* be used for CTE classes. These choices are listed by department. However, students should be mindful of focus requirements when making selections. (pg 32)

The information below is provided based on current interpretation of legislative policy from the TN State Board of Education and is subject to minor changes in the future.
