

Grip Case

DESIGNED FOR LIFE

VIBE Slick Grip is the ultimate companion for your tablet, adding five new levels of functionality which are great for the whole family! You'll wonder how you ever lived without it!

100% SILICONE

Virtually indestructible – all VIBE Slick silicone products are made from 100% high grade silicone rubber. It's non-toxic and won't suffer damage from shocks and drops making all VIBE Slick silicone products the ideal travel companion.

AMPLIFY

Using specially developed 'VIBE Sound Booster' technology, the VIBE Slick Grip can amplify your phone's built-in speaker by up to 4 times without using batteries.

SHOCKPROOF GRIP

Comfortably and safely use your tablet. Air filled pockets help protect your tablet from shocks and drops. Ideal for everyone, young and old.

TYPE ANYWHERE

Make typing on your tablet a pleasure, not a chore. Just lay the Slick Grip down and enjoy a comfortable non-slip typing experience anywhere.

PERFECT FOR MOVIES

Stand the Slick-Grip upright and enjoy movies and TV shows easily and comfortably.
