**HOW IT WORKS**

Select a beach partner – your beach partner or you do not have to be indoor club players.

If you played in a USA Volleyball club in 2018, you do not need another membership. You may play with a partner from another region.

If you did not play club, you will need to purchase a \$10 one day or \$15 summer season membership from USA Volleyball.

All instructions and links are online at [www.powerupvb.com](http://www.powerupvb.com)!
