E SPA Skincare

Hibiscus The Botox Plant

- Hibiscus skin treatments has an incredible organic natural ability to **lift up and firm** the skin by increasing the elasticity and infused with powerful ingredients for **cell renewal** and **collagen** synthesis. Giving your complexion a natural glow!
- Soft, Smooth, **Firmer skin!** This powerful ingredient comes from the calyx of the Hibiscus Flower Sabdariffa, naturally concentrated in pyruvic acid.
- Hibiscus facial is customized for all skin types
