# MALLORCA 312

28TH APRIL 2018

# Mallorca 312

## OVERVIEW

**MELLOW**  
**JERSEY**

With the benefit of a closed road course, the Mallorca 312 takes in the best of what the island has to offer from the challenging ascents of the Tramuntana mountains to picturesque inland routes.

The roads in Mallorca are quite simply the best we have ridden on, and that combined with (hopefully!) the Mallorcan sunshine and the incredible atmosphere of 6,500 cyclists taking on the challenge has led to this event becoming as popular as it is today.
