Hi everyone! It's getting toward that very exciting time of year but before the Big Man in red visits there is one more very important event to consider.

Once this production is over & Christmas is done, things will move again fairly quickly bringing on lots of exciting new ventures for 2016.

Please ensure you book in dates into your calendars so you don't miss out.

As is always the case committee members work really hard to ensure the public is given a really good program of events & shows for the coming months & it is only due to your ongoing support that any of these events are successful. We are always looking for feedback and/or new ideas so please feel free & comfortable to approach and discuss anything with any committee member.

I would also like to take this opportunity to wish the best of luck to all those members who are about to undertake exams, either at school or uni. Make sure you look after yourselves. Good luck !

**THE SECRET GARDEN** is a musical based on the 1911 novel by Frances Hodgson Burnett. The story follows Mary Lennox, a young English girl born and raised in India, whose whole life is thrown into disarray when she loses her family and everyone she has ever known to a cholera outbreak when she is eleven years old. Left with no one she is shipped off to the moor's of Yorkshire in England to live with her reclusive Uncle Archibald in his haunted Victorian Manor. The show focuses on Mary's growth in a semi-'Disneyesque' way, from a spoilt, haunted, bad tempered child, to a determined, independent young girl, whose stubborn hard work and faith helps bring a broken family back together. The musical's book and lyrics are by Marsha Norman, with music by Lucy Simon. It premiered on Broadway in 1991, was nominated for 7 Tony awards, winning 3 of them, it first opened in Australia in 1995 starring Anthony Warlow.

## *Treehouse Information Night* *One Act Plays*

In March 2016 the Treehouse Youth Theatre will be performing three one act plays based around the theme of mental health as part of their Treehouse Festival. Youth aged 12-25 who are interested in auditioning please come along to receive information on the plays, the audition requirements and have the chance to sign up for an audition time!

### *3 Acts*

#### *Cheating Death - Comedy*

When the Angel of Death visits a mental hospital to collect someone on his list, he accidentally reveals himself to the wrong person. After struggling to convince the patients of his identity, Death attempts to correct his potentially fatal mistake and demands to know which one of them is actually the one he came for. But the patients refuse to give up their friend's true identity. Death must resort to drastic measures and even joins the group session in order to win this deadly battle of wits.

#### *Asylum - Dramatic Exploration*

Set in a state-run mental institution and, at times, in the minds of the patients, Asylum explores the flip side of sanity. We meet a former pop star who continues to live like she's in a music video, a girl who was harmed by her best friend's boyfriend, a dessert-obsessed man with a Barbie voodoo doll, a lost boy who just wants to go home, and others. Through monologues that range from off-the-wall to terrifying, the characters reveal their stories.

#### *Devised Piece - Premiere Performance of Local Play*

Written by one of our theatre members, the third act is based around the idea of what it is like to be inside the mind of a young person living with anxiety. This act represents the potential challenges occurring in every day situations of a person with this condition.

Directed by Cherry Servis and Scott Hasse

It is 1960 and the residents of The Wings charity home for retired actresses tremulously await the arrival of new resident Lotta Bainbridge.

Lotta is an old adversary in love of established resident May Davenport.
