Wealth management for your home

I am excited to let you know that I have invested in a new technology called Homebot that you will soon be enjoying (free of charge)!

What will Homebot track for you? Take a look below...

- Current and historical estimated market value of your home
- Appreciation since you purchased your home
- Net worth/equity in your home
- A breakdown of principal and interest paid
- Tips for how to save on interest payments
- Your purchasing power to buy an investment property or trade up to a new home
- Estimated rental figures for your home (or a room in your home) on services like Airbnb or VRBO
- Your current cash-out potential for doing things like consolidating high-interest debt or increasing your home value through home improvement

After you [signup](#), you will start receiving a free monthly email called the "Homebot Digest". Homebot offers homeowners a highly personalized report containing valuable information to empower you to make smarter financial decisions when it comes to your home.

I use homebot and it is truly a great product!
