2018 MINISTRY HIGHLIGHTS REPORT

2018 was an amazing year in outreach and new partnerships. Thanks to the many volunteers and organizations, we were able to make an impact on the lives of those in need. As we begin 2019, we'd like to share some of our ministry highlights and say *THANK YOU* to all who have served with us or who have graciously donated. Without you, we couldn't do what we do!
