Most colleges and universities require ACT or SAT scores for acceptance and scholarship/financial aid decisions. Students taking the Combo SAT/ACT Practice Test on **Saturday, April 16th**, will complete a shortened SAT and a shortened ACT to get an idea of potential scores on both tests in the same amount of time it would take for an official SAT or ACT test.

Experienced graders from Kaplan Test Prep will score each test and distribute results to students and parents on **Thursday, April 28th at 7:00pm-8:30pm** in the Brighton High School Media Center. Kaplan personnel will review study/test-taking strategies & suggest effective ways to improve scores.

Practice test participants will gain free access to Kaplan online prep—a \$299 value

***One Special Academic Enrichment Scholarship (up to \$250 value) will be awarded by random draw to students in grades 6-8 that register and complete the 4/16/16 Combo SAT/ACT Practice Test. Award winner must be accepted into and attend an approved academic enrichment program of her/his choice during the 2016-2017 academic year or associated summers. *Note: a student is only allowed to win once each academic year.*
