

Rotary Club of Brighton

Academic Enrichment Scholarship

For students in Grades 6-8

One Academic Enrichment Scholarship, with a value up to \$250, will be awarded by random draw to a student in grades 6-8 that early registered and completed the 4/21/18 ACT Practice Test. *Please note that a student is only allowed to win once each academic year.*

The award winner must be accepted into and attend an approved academic enrichment program of his/her choice during the 2017-2018 academic year or associated summers.

The Brighton Rotary Foundation will issue the scholarship check directly to the academic enrichment program administration to cover up to \$250 of tuition fees.

Examples of approved academic enrichment programs can be found at:

- Compilation of Area Programs at <http://www.studenteducationprograms.com/michigan/>
- The University of Michigan Center for Educational Outreach at <http://www.ceo.umich.edu/summer>
The Michigan Math Circle at <http://dept.math.lsa.umich.edu/mathcircle>
- Michigan State University Spartan Youth Programs at <http://spartanyouth.msu.edu>
- Schoolcraft College Kids on Campus Program at <http://schoolcraft.edu/cepd/kids-on-campus>

Many other opportunities are available in the sciences, technology, engineering, mathematics, languages, and arts through numerous colleges and universities.
