I have been enthusiastically diving into the research on the “process of change” in many psychological disciplines, brain science, behavioral medicine, and the holistic field to gain a broad understanding and deep learning I can apply to my personal and professional life. The goal has always been to help people to embrace change as a source of growth, health, energy, and resilience, so that they can achieve their full potential and enjoy a high-quality relationship with themselves, others, and the environment.

Here is a short list of the main courses and training I have completed since 2010:

Dr. Diane Poole Heller P.h.D. "Somatic & Trauma Resolution and Dynamic Attachment Re-Patterning Experience (DARe) series on Adult Attachment (Master Circle)", completed all of the following quarterly modules since 2016:

“Presencing Secure Attachment: Understanding Belonging, Bonding, & Being One’s True Self”

“Nature, Nurture, & Neurons: NeuroBiology all Programmed to Create Nourishment in Relationships”

“Emergence: Evolving the Essential Self and the Capacity to Connect”

“Working with Your Most Difficult Clients”

“Trauma as Gateway to Spiritual Transformation”

“Enlivening Intimacy, Sensuality, & Sexuality”.
