

Quilting for Hire: Where to Begin and How to Stay Afloat

Level: All levels welcome, best suited for those who intend to run a quilting business

Duration: 1.5 hour lecture

Price: \$20

Investing in a quilting machine can sometimes be a scary thing, especially if you plan to quilt for others as a business venture! Join Karlee in a discussion covering everything it takes (and practices to throw out) when becoming a professional quilter. She will cover everything from how to price your quilts, how to weed out unruly clients, and how to manage your time to get the most out of your business without selling your soul to your calendar. Karlee will help you along the path as you conceptualize a business plan, and maintain your personal life all while getting paid to do what you love!

Here is what you'll need:

-Something to take notes
