

Allyson Quilt - \$40

Experienced Beginner - Intermediate

The Allyson Quilt Pattern is one of our top best-sellers. No appliqué required on this beautiful feminine quilt. Everyone will want dibs on this quilt when they see it (trust me, I know). It makes a perfect bed quilt for your little girl and comes in both a crib and twin quilt size.

The class will teach an amazing way to cut out the curved pieces FAST and ACCURATELY! It will also teach my favorite technique of curved piecing. You will end the class knowing how to piece curves easily, accurately, and quickly.
