This class will teach the paper piecing technique so that you can create the center star of the quilt. You'll also have the tools necessary to create the rest of the Eclipse 2.0 quilt. Even if you don't want to finish the full quilt, you'll still have a stunning wall hanging to showcase in your home. By the end of the class you will be confident in the paper piecing process. You'll even have an understanding to sew gentle curves when you add the border.
