

Believe the Beautiful Truth about You

Class Price \$35

Supplies fee \$15

Join me as we talk about how to combat the lies that swirl around us on a daily basis. You will make your own truth cards that speak to your soul. This is a fun filled, creative, friendship building class that will not disappoint!

The idea for Truth Cards came as a way to overpower the awful script that sometimes runs in our head, preventing our souls from feeling whole or healed. Truth cards are little messages of love and truth that are written directly to our souls....telling us the TRUTH when we are believing words that are keeping us from believing the love and

truth. In this workshop, we will use pages of pre-written "truths" pasted to different kinds of cards to create "Truth Cards". Each participant will leave the class having made several truth cards for herself. Sometimes it is just a few true and beautiful words that give us all of the hope that we need to keep going...and just a FEW true words really can make all of the difference in the world...

This class is for everyone and no prior experience or preparation is necessary. All supplies will be provided.

You just need to show up!
