Come join Karlee Porter for a 1 day hands-on Graffiti Quilting workshop! Through the day, Karlee will teach you the in's and out's of Graffiti Quilting, how to recognize and draw various motifs, how to pair them together, and how to construct your very own unique Graffiti Quilt from start to finish! Class is constructed of equal parts drawing and free-motion quilting. The key to any good Graffiti Quilt is knowing how to draw each motif on paper.
