

The Grove School vision is to provide a high quality educational experience with a culture of high expectations for all students

OUR CHROMEBOOK PROGRAMME

The Grove School recently embarked on its first Chromebook 1:1 Programme with its Year 9 students. The overwhelming support and take up meant that we handed out the first wave of Chromebooks to students who are now using them in class.

Our vision is that every student at The Grove will have their own Chromebook enabling a vital link between learning at school and at home. Following requests from parents and students that missed out first time around we have made the decision to reopen the ordering portal from 15th September.

THE EQUIPMENT ON OFFER

We have selected two Chromebooks which are best suited to enhance the learning experience of our students at The Grove.

These Chromebooks are specifically designed for student use with a ruggedised outer casing and enhanced specification to ensure that they withstand all functional requirements.

Each device is also supplied with a 3 Year extended warranty and 3 Year insurance for accidental damage and theft with £0 excess giving complete peace of mind.

WHY CHROMEBOOKS?

Chromebooks are extremely secure, easy to use and facilitate both independent study and online collaboration. Through the use of Google Apps for Education we are able to further improve student engagement and open the door to learning

The Chromebooks with the Management Console ensure that all students are able to access all of the same resources, applications, wherever they are in the world and enable teachers to deliver the curriculum in the most exciting and engaging way.

HAS THE PRICE CHANGED SINCE LAST TIME?

No. However, because your child now has less than 36 months left at The Grove we are unable to offer a 36 month payment term. Therefore you are paying the same price but over a shorter period of time.

HOW DO I PLACE MY ORDER?

Parents can opt to pay monthly over 34 months or via a one off payment through the secure online ordering portal.
