Dear Parent/Career

**Re: 1-1 device update**

We are delighted to report the successful introduction of the 1-1 Chromebook Programme. This first set of orders were last week with students now able to use their devices in school to further their learning. The second stage of the programme is now in operation and we are happy to announce that the ordering portal is now open. Please find attached our flyer outlining the benefits of the programme as well as key information for the devices on offer.

I thank you in advance for your support to help make this exciting new initiative a success at the Grove and if you should have any further questions please email on [chromebooks@groveschool.net](mailto:chromebooks@groveschool.net).

Yours faithfully,

**Mr T Kinnersley | Assistant Headteacher**
