

Dear Applicant,

Thank you very much for showing an interest in the post at The Grove School. If you choose to apply and are successful, you will be joining the School at a very exciting time.

I joined The Grove in September 2014 and absolutely love the School. The staff are dedicated and energetic; the students are hard-working and welcoming; the parents and carers are honest and supportive and the governors are committed and enthusiastic, all of which contribute to a very positive, dynamic culture.

The Grove received their Ofsted inspection in October 2015 where inspectors recognised the rapid improvements that have been made since the last inspection. Leadership and management, behaviour and safety and post-16 provision were all commended. Since then the School has grown ever stronger. You will be joining a passionate and dedicated staff. Students are at the centre of our thinking with our main aim being to ensure every child maximises their potential and makes the most of the opportunities offered to them. A key aspect of this is a laser sharp understanding of data and I am therefore excited to be looking for a Data and Examinations Assistant to support a key aspect of the School. Please have a look at our website where you will find much more information about our school.

I hope you will apply and I look forward to reading your application. If, however, you decide that this post is not for you, I wish you the very best of luck for your future.

To apply, you need to complete the application form. The documents are available from our website www.grove-school.co.uk or alternatively contact Gail Beath at gail.beath@groveschool.net

My very best wishes,

Mrs Sonia Taylor | Headteacher
