

Grove School Chromebook Programme

All Years – September 2018

The Grove School vision is to provide a high quality educational experience with a culture of high expectations for all students

GROVE SCHOOL CHROMEBOOK PROGRAMME

Last year Grove School embarked on its first Chromebook 1:1 Programme with its Year 9 students. The overwhelming support and take up meant that we handed out the first wave of Chromebooks to students in September 2017.

Our vision is that every student at The Grove will have their own Chromebook enabling a vital link between learning at school and at home.

The next part of our implementation plan is with other year groups. Students are expected to use their Chromebooks in Class and at home as an additional tool for learning until their GCSEs in Y11. We hope that you share our vision to make this project a success.

THE EQUIPMENT ON OFFER

We have selected two Chromebooks which are best suited to enhance the learning experience of our students at The Grove. These Chromebooks are specifically designed for student use with a ruggedised outer casing and enhanced specification to ensure that they withstand all functional requirements.

Each device is also supplied with a 3 Year extended warranty and 3 Year insurance for accidental damage and theft with £0 excess giving complete peace of mind.

WHY CHROMEBOOKS?

Chromebooks are extremely secure, easy to use and facilitate both independent study and online collaboration. Through the use of Google Apps for Education & Office 365 we can further improve student engagement, and open the door to learning.

The Chromebooks with the Management Console ensure that all students are able to access all of the same resources and applications, wherever they are in the world and enable teachers to deliver the curriculum in the most exciting and engaging way.

AM I ELIGIBLE FOR A DISCOUNT?

Pupil Premium and Sibling Discount may be available by email application to Grove Finance finance@groveschool.net

THE BENEFITS OF CHROMEBOOKS

- Less than 8 seconds to boot up
- Long battery life
- Unlimited file storage
- Simple technology that will just work
- Easy student-teacher workflow in a safe environment
- Excellent collaboration tools
- Works seamlessly with Google & Office 365
- Comprehensive insurance & warranty with £0 excess
- Affordable monthly payments
- Chrome Management Console so that we can manage the devices and provide the best levels of eSafety

CAN I BRING MY OWN CHROMEBOOK?

If you don't have one already we would recommend buying via the programme due to cost savings and the comprehensive insurance. If you already have your own Chromebook then you can bring it, however you will need to buy a Chrome management license at a cost of £25. If you are planning on bringing your own you will need to confirm this via email to chromebooks@grove.net where you will be advised of how and when you can buy your license

HOW MUCH DOES IT COST?

Prices start from as little as £9.99 per month including the Chromebook, Management License, Extended Warranty & Insurance for Accidental Damage & Theft.

Parents / Carers can opt to pay via monthly direct debit up to 36 months or a one off payment through the online ordering portal. There are no credit checks and it is open to all students.
