Update - Fordhall Farm Science Fair

Dear Parent

I would just like to go over arrangements about The Science Fair at Fordhall Farm with you. We are meeting at 9am on Sunday 26th August- students need to find their own way to Fordhall Farm. There will be food provided (a Fordhall burger/sausage bap/bacon bap etc) but I would recommend bringing plenty to drink and some snacks. You have already completed a consent form to arrange collection from Fordhall farm at 5pm.

Students should wear jeans/trousers/ long shorts (nothing above the knee) on the day and suitable footwear for a farm (wellies/scruffy trainers/ walking boots), also they should bring a hat and sun cream. Polo shirts will be given to students on the day - there are bathrooms to get changed in. The polos are now free of charge and for students to keep as the school recognises that their efforts should be rewarded.

Miss Gilchrist and I will be there throughout the day and will make sure that students can have breaks and look around the fair. They will be running stalls in pairs and there will be adult volunteers to supervise the stalls. The event is in a marquee on a field and we will have walkie talkies so we can communicate with each other.

I will be available over email through the summer. If there are any questions or problems with attendance nearer the time please let me know.

We are very grateful to your child for offering their time and passion to **science**! It was a fantastic event last year and will be even bigger this year! Can't wait to see them all there representing **science** and The Grove in our community! Well done!

See you there!

Miss Hardy
