

South Colby Cooperative School Fundraising Agreement

South Colby Cooperative Preschool is a non-profit school. Only about 80% of the tuition covers the budgeted cost of educating a child at our school. The remainder comes from donations and fundraising. This helps keep tuition affordable to more families. It also helps us to make updates to the school as needed. In 2017 our fundraising helped to cover the cost for the cover of our playground. Every **family** at South Colby Cooperative is **REQUIRED** to participate in two fundraisers.

Some opportunities to do this include:

- Wreath sale which in October/November (we ask that you try to sell 6 items)
- Santa Breakfast in December (helping with set-up or donating an auction item for our silent auction)
- Spring Bulb sales (again we ask that you try to sell \$40 worth)
- Fall Festival in October (set-up)
- Donate you our annual Rummage Sale in June
- Spring Art Gala (set-up or donating an auction item for our silent auction)
- We may also have a take-over of some sort and coming and supporting that

A fundraising deposit of \$100 is required per family at the beginning of the school year. This deposit will be refunded once your requirements have been met.
