RT COMMUNICATIONS

Security Systems Specialists for over 35 years

STANDING THE TEST OF TIME

We are a family run business and have been installing security solutions for our clients since 1981. Our reputation has been built on our commitment to customer satisfaction and our client base has been built on referrals alone.

Our solutions use the latest technology, future-proofing your security solution for many years ahead and our trained Installers will ensure your installation is finished to the highest standard.

All our products are chosen to fit your needs and we believe it is essential that they are reliable and easy to use. We are dedicated to fulfilling our promise to you, and more. We are sure our service will exceed your expectations.

OUR PROMISE TO YOU

- **Performance & Reliability**
- **Efficient Service**
- **Ease of use**
- **Value for Money.**

Our Company Profile, Brochures & Testimonials can be downloaded at <http://www.rtcomms.com/about>

STANDARDS

We are fully licensed by the PSA (Private Security Authority) a mandatory legal requirement to install Security Systems. Our staff are Garda vetted and we install our systems to NSAI & Cenelec standards.

EXPERIENCE AND SUPPORT

Our long standing partnerships with global brands means that we have a wealth of experience and support, allowing us to deliver an uncompromising level of system design, installation and service to our clients.
