We encourage any young player serious about learning the game and developing his skills to attend our upcoming players camp designed for elementary and middle school aged players.

We think you will find a commitment to teaching the fundamentals, drills and individual skills, second to none. There is nothing fancy about our camp...it is four days of ground balls and swinging the bat. We understand the investment you are making and take seriously our pledge to “give you your money’s worth.”

Our expertise provides a baseball background you can have confidence in. We continue to believe the involvement of East Coweta coaches and players provides a level of focused instruction that makes this the best camp around.
