

Stay Connected with The Open Door!

1: Connection Consent:

The Open Door of New Jersey offers a chance for Parents/Guardians to be connected and communicate with each other! We provide a contact list of the participating families with the phone numbers of others who attend the program. Your consent below will give permission for other parents/guardians to utilize the following methods to communicate information about the residential and/or Day Program: cellular phone. All phone calls or texts to or from the parents/guardians must directly relate to the program (i.e.: schedule, activities, changes, life experience, etc.) and must include nothing personal related. We recommend Parents to not respond to phone calls or messages about personal information.

I give permission for The Open Door NJ to provide my phone number to be given to other Parent/Guardians in my loved one's Residential and Day Program settings.

OR

I do not want my phone number to being given to other Parents/Guardians.

2: Constant Contact:

The Open Door of New Jersey has an ongoing communications list with Constant Contact. You will have the opportunity to receive emails/text messages regarding agency events, individual letters, memos, monthly newsletter, monthly calendar, etc. If you currently do not have an email address, we recommend for you to create one for communication purposes.

I would like to sign up for constant contact in order to receive agency updates.

3: Remind:

Remind is a way for you to communicate directly with staff members. It is beneficial to also stay in communication with live updates in situations where there is inclement weather that may affect program hours or result in a closure. To sign up for Remind for the bookstore, please text “@todcbs” to 81010. To sign up for Remind for the day program, please text “@route9dp” to 81010. Alternatively, you may also download the Remind app and sign up for alerts that way.
