Ernesto A. Amaranto, MD To whom it may concern:

I am writing to endorse Colleen Whitlow as Mayor of Mead with no reservations. My name is Ernesto A. Amaranto, MD. I am a registered Democrat but am crossing party affiliation to make sure we have the right Mayor for the Town of Mead. I first met Ms. Whitlow when she invited me to participate in the Art Exhibit of the "Taste of Mead Celebration". The successful project raised funds for the development of Downtown Mead. As the recent President of Mead Rotary Club, of which I am a member, Colleen impressed me with her leadership qualities. As the mayor of Mead, she will be dedicated to the well balanced progressive growth of our town, while maintaining its small town qualities.

I fully support Ms. Colleen Whitlow's candidacy for the next Mayor of Mead.
