Colleen Whitlow for Mayor of Mead

It has been my pleasure to work alongside Colleen for the past several years. Her dedication to the Town of Mead is unapparelled and is represented by the many things that she is involved in to make Mead a better place to live and work. She has been instrumental in bringing new and exciting activities, ideas and events to Mead.

Colleen is a team player, leader, volunteer, wife, mother, grandmother and the humblest individual I have ever met. She is a US Air Force Veteran and President of the Carbon Valley VFW Post 9741 Auxiliary. Her accolades are many and I will not list them all here, you can find them on her Colleen Whitlow for Mayor Facebook Page.

Mead needs a strong, articulate mayor who stands up for the Town of Mead. She listens and does her research on any item that comes before her before making any decisions. Colleen is what the Town of Mead needs to bring about change and growth in a positive manner. It is my honor to endorse Colleen Whitlow for mayor of the Town of Mead.

Respectfully,
