TAN & TONE

**Cabana Tan & Tone
NOW OFFER TEETH WHITENING
EVERY WEDNESDAY**

Appointment required. 24-hr cancellation
notice required. Must sign waiver.

Individual results will vary.

HOW DOES IT WORK

A Professional technician will apply dental-grade hydrogen peroxide gel to whiten your teeth. Once applied it will be activated by a high-powered blue LED light.

HOW LONG WILL IT LAST

Depending on your habits and the porosity of your teeth, the results can last from 6 months to 2 years. Touch-ups are recommended every 3-6 months.

IS IT SAFE?

Yes. Decades of research have proven bleaching to be both safe and effective.
