

The “Water of Life” is for the Thirsty

Most people never come to Christ because they never sense their need to. Some sense an inner thirst, but do not see God as the solution to their need. Many turn to a substitute “thirst quencher” to satisfy that dry emptiness they feel inside. People turn to money and materialism or to immoral sex and other relationships. Still others turn to harmful substances like alcohol or drugs to fill the void in their lives. Many others wrongly think that religion or religious activity can quench that burning spiritual thirst that dwells deep within. As humans, we tend to live life not knowing that our spiritual thirst can be quenched only by Jesus Christ. He invites the thirsty to Himself. He said: “I will give unto him that is athirst of the fountain of the water of life freely” (Revelation 21:6). Do you sense your need for Him?

The “Water of Life” must be Taken In

Just as one must drink water to receive its benefits, so we must receive Jesus Christ – the Living Water -- into our lives. “But as many

as received him, to them gave he power to become the sons of God, even to them that believe on his name” (John 1:12). We must invite Him into our life. To reject Jesus is to reject eternal life. To refuse Him is to go without God’s forgiveness. To ignore Him is to miss out on an eternal home in Heaven. Multitudes are in Hell today because of their rejection of Christ. Many are like the man who died and went to Hell, and in Hell he begged for a drop of water to cool his tongue and to relieve his torment (Luke 16:24). However, not one drop of water is available in Hell for those who reject Jesus Christ. God invites you now! His offer of eternal life is today! “...behold, now is the accepted time; behold, now is the day of salvation (2 Corinthians 6:2).

God Invites You Now To Drink!

God’s invitation is simple. “. . .let him that is athirst come. And whosoever will, let him take the water of life freely” (Revelation 22:17). Are you thirsty for a real relationship with the true and living God? No matter who you are or what you have done, God loves you and wants to save you today. “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life” (John 3:16). The word “whosoever” includes you. Yes, you can call upon the Lord and invite Him into your life today! He is only a call away: “For whosoever shall call upon the name of the Lord shall be saved” (Romans 10:13).

Will You Call Upon Him Right Now?

From your heart, call out to God with words like this:

“Dear Lord Jesus, I admit that I am a sinner. I know I have broken your commands and I deserve to pay for my sin. I believe that you died for my sins on the cross. And I believe that you rose again. Right now I invite you to come into my life. I am thirsty for your forgiveness and your salvation. I ask you to save me from my sin and Hell. I put my full trust in you. Thank you for your free gift of eternal life. Please teach me more about yourself as I read your Word, the Bible. And help me to tell others about you. Amen”

Water of Life

Water is Essential to Life!

Nothing in the world lives without water. All plants, trees, micro-organisms, insects, birds, fish, animals and humans depend on this amazing liquid for survival. Every living thing is made up of cells, and cells are like little bags of water. About 70% of the human body is made up of water and more than 70% of the Earth’s surface is covered in water. People need water for digestion, brain function, muscle movement, and elimination of toxins and waste. Dehydration is a major cause of fatigue, but water boosts metabolism, creating energy. Water feeds the brain with oxygen, enhancing the mind’s ability to process information. Water also cleans and lubricates the entire body, allowing for the smooth function of muscles.
