

## WHAT'S GOING ON AT PAR RUNNING TRACK, and How You Can Get Involved

You will have seen that the track has been taken over by 'Better'. Better will run it until our community group can assume full responsibility.

We are nearly finished setting up a charitable community benefit society. This sort of company gives **you** a strong voice in what we do and how we do it. More details will be available soon – but if you wish to know more now, just ask.

There are lots of ways in which you can be involved in our community effort. Please see overleaf.

### COME AND GET INVOLVED

We have great ambitions for the track, from improving existing facilities to providing new facilities and services. But we need your help.

Our community has a wealth of expertise, from gardening, plumbing etc right through to accountancy and the law (and making tea!).

If you would like to help our community effort, please add your name and contact details below, and also indicate the sort of assistance you can offer. This flyer can then be left in the PL24 box on the notice board at 84 Par Green.

**And Thank You!**
