EARLY FURNACE REPLACEMENT REBATE — TERMS AND CONDITIONS

Customer Eligibility: You must be a residential heating customer of Columbia Gas of Massachusetts (Utility). You must request a Mass Save Home Energy Services Program Site Visit between **April 1, 2015 and August 31, 2015**, prior to replacing your furnace. Equipment must be installed by **October 30, 2015** in a 1–4 family home with an active residential heating account of the participating utility. The customer must be deemed eligible to participate and receive the Early Furnace Replacement Rebate Form from the Home Energy Specialist (the Vendor) or a participating Home Performance Contractor. The customer must complete and submit the Early Furnace Replacement Rebate Form and other required documentation to the Vendor; postmarked no later than **October 30, 2015**.

Existing Equipment Eligibility: Existing equipment must be functional at the time of the Site Visit to be evaluated by the Mass Save Energy Specialist. The existing furnace must be at least 12 years old at the time of the Site Visit and be fueled by natural gas. Fuel switching/conversion is not eligible for this offer. Distribution changing/conversion is not eligible for this offer. Customer must agree to a possible post-installation verification inspection. The chart below outlines the new equipment minimum requirements and Early Furnace Rebate amounts.

Fuel Type	Minimum AFUE Requirements	Early Furnace Replacement Rebate
Natural Gas	95% AFUE with ECM	\$1,000

Rebates: Subject to these Terms and Conditions, the Early Furnace Replacement Rebate, through its contractual Vendor, will pay rebates to homeowner for the installation of qualified equipment. Rebate total shall not exceed installed costs quoted on supplied contractor receipt/invoice/work order. Customers receiving the Early Furnace Replacement Rebate are NOT eligible for any other Mass Save or GasNetworks heating equipment rebates on installed equipment. If customer receives financing through a HEAT Loan Program Participating Lender, any applicable rebate will be deducted from the loan amount.

Rebate Application: The Customer is responsible for submitting this completed Rebate Form which must include the Contractor License Number and signature. Incomplete applications will not be processed.

Required Documents:

- Early Furnace Replacement Rebate Form — completed and signed by the Customer/Owner AND the Contractor
- A DATED contractor invoice or receipt, noting the completion of the furnace installation and model number of new equipment
- Non-Owner occupied customers must provide proof of primary residence in the form of utility bill, cable bill, etc.

Post-Installation Verification: Prior to rebate payment, the Vendor reserves the right to conduct an on-site verification that the equipment was installed according to the guidelines of the program. It does not include any kind of safety review and should not be relied upon as one. If the Vendor determines that the equipment installed does not meet the program specifications as described in the application, the Vendor reserves the right to refuse to pay the rebate.

No Warranties: The Utility and Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy of such equipment. The Utility and the Vendor expressly disclaim any and all warranties or representations of any kind, whether oral, statutory, expressed or implied, including, without limitation, warranties of merchantability, usage, suitability or fitness for a particular purpose. Contact your contractor for details regarding equipment performance and manufacturer warranties. The Utility and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or installation.

Changes in the Rebate Offer: The offer is available for installations completed April 1, 2015 through October 30, 2015 only, and these Terms and Conditions may be changed, or terminated by the Utility and the Vendor at any time without notice.

Contractor Insurance: The Utility and the Vendor are not responsible for any damage that may be caused by or arise out of an installation of any equipment. The Customer should select Contractors who carry appropriate insurance coverage and licenses.

Liability: The Utility and the Vendor are not liable for any Customer damages that may occur as a result of the termination of this program beyond the amount of the rebate.

No Tax Liability: The Utility and the Vendor are not responsible for any tax liability which may be imposed as a result of receipt of the rebates.
