

Dear prospective team member,

I'd like to personally thank you for considering our company for your business endeavor. It's my hope that Xtreme Clean Mobile Detail can provide you a way to not only work for yourself but to create a stream of income that you can count on.

My vision is to partner with many across the country that'll represent our company with pride, integrity and excellence. We're looking for people who will carry our passion for a quality service and for people to the homes of many. We're not JUST an auto detail company but we're a company that can change the course of someone's day with a warm greeting and a great job done on their vehicle!

If you think you'll fit into our vision then please apply with us and lets get working together! I look forward to meeting you and working with you in the future!
