

Revision Sheets for Final Exam – ICT

Grade 4

Scratch is a block-based visual programming language and online community targeted primarily at children. Users of the site can create online projects using a block-like interface.

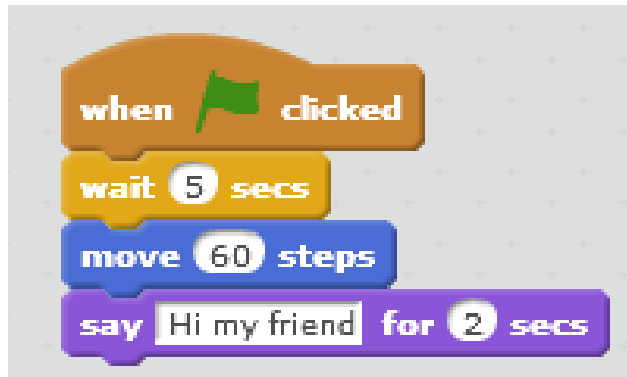

- ✓ Every time when we open SCRATCH program the Sprite will be the cat . I can change it and add more than one sprite .
- ✓ Every time when we open SCRATCH program the Stage will be white. I can change it by chose one of the stage pictures.
- ✓ Some Blocks :

	My code will work when I press the green Flag
	The Sprit will say “ Hello “ for 2 seconds
	The Sprit will move 10 steps
	The Sprit will rotate with 15 degrees RIGHT
	The Sprit will wait for 1 seconds
	The Blocks inside it will repeated 10 times

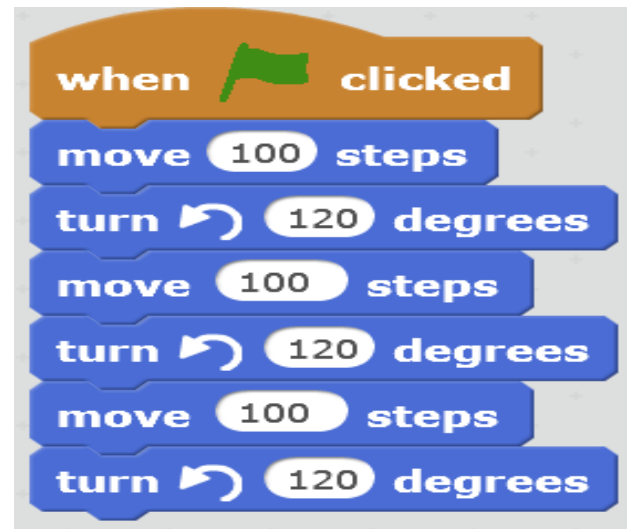

The Sprite will say " Hello " then Move 50 steps then Wait for 5 seconds .

The Butterfly will Wait for 5 seconds then Move 50 steps then say " Hi my friend " .

To draw a **Square** we need :
✓ 4 – move (100)
✓ 4 – turn (90)

To draw a **Triangle** we need :
✓ 3 – move (100)
✓ 3 – turn (120)
