BRIGHTER TOMORROWS CONSULTING PRESENTS *"Play Therapy Techniques"*

This interactive workshop is designed to introduce clinicians to a variety of play therapy techniques with the emphasis on children and adolescents. Play Therapy is a systematic use of a theoretical model to establish the interpersonal process in which trained play therapists often use the power of play to help clients resolve psychosocial difficulties and achieve optimal growth and development. During this training, you will be actively engaged in seven hands-on activities including:

- Family Dynamic Map
- Autobiography in Five Chapters
- Broken Heart / Healing Heart
- 25 Things I Like About Me
- Five Senses Poem
- The Rosebush
- Emotion Faces

Facilitated By:

**Shannon M. Eller, LPC, LMFT, CPCS, CCS, RPT, CCAADC, CCDP-D, AAMFT
Approved Supervisor**
