Outdoor Classroom

Carver Road Baptist Church and Pastor Tom Summers will be providing the supplies and resources to install an outdoor classroom in our backyard. We will now have a space which will include: seating, fish pond, bird bath, bird feeders, fire pit, butterfly garden, planters, and flowers. Many thanks to them for the investment in our program and the community.

We are looking forward to a phenomenal year with many wonderful things to come! Brighter Tomorrows Consulting would like to take this opportunity to extend a heart-felt thank you to all of our staff members for all of their hard work and dedication to the practice. We are proud of all of their accomplishments. Without their countless efforts, attention to detail, and sleepless nights Brighter Tomorrows Consulting would not be where we are today.
