## Golden Hills Biggest Little Car Show Saturday, May 21st

May 21 was the Golden Hill Car Show held in downtown Suisun City. The event was rain or shine and luckily it decided to be shine. The rain held off until the event was finished, I picked some up in Fairfield on the way home. Many fine cars were there I put pictures up on our DVMA facebook page. One of the cars featured was a 1969 Shelby whose owner had passed on, but the family was requested to bring the car and one of the awards was put into his name. Many awards were handed out one couple actually won three times (why couldn't they share with me, lol). I was parked next to a beautiful 1967 XR7 Cougar who was hoping for the top Mercury award but had to settle for second place. He grumbled because the 1947 Mercury that won had a Chevy motor under the hood and wasn't 'All-Ford.' Brian Denning

## Magic of Mustang June 3rd to 5th

June 3-5 was the 'Magic of Mustang' MCA show in Reno. I was excited to be a part of an MCA judged event for the fun more than an award and that's what I got! About 280 Mustangs were there mostly in the judging but some for just display. Pace cars were there in front; 3 1979's including the one featured in Mustang Monthly's latest issue. The owner's daughters brought the car so it could be presented with a Blue Medallion. Also there were a 1964, 1994 Indy 500 pace cars as well as a 2010 Daytona 500 pace car. Many classic Sheldys were there including a couple's 1968 Gold GT500 with almost 600k miles! The awards luncheon was held on Sunday and I sat with our club members and all of them won an award in their category! 6 awards for the DVMA! Brian Denning

# DVMA Dispatch

July 2016

Mark the dates, July 29 and 30, 2016. This is when the Mustang will finally get a museum all for itself. Yes, the National Mustang Museum will break ground on these dates in Concord (North Carolina, that is). You may remember that the 10 members of our Concord club that went on the Mustangs Across America Tour two years ago, had the privilege of meeting the Mayor of Concord, NC and presenting him with gifts from the mayor of Concord, CA and, in turn, received gifts from N.C. to take back home to our Concord mayor. The city of Concord, NC treated us royally and I can only assume they will do a fine job of creating a museum that accurately and lovingly represents the history and magic of the Mustang. If you just "happen to be in the neighborhood" and want to experience the once-in-a-lifetime groundbreaking ceremony and celebration the Hampton Inn hotel is offering special rates. Here is the link for that offer: <http://hamptoninn.hilton.com/en/hp/groups/personalized/c/CLTKGHX-MMG-20160729/indexjhtml>. And if you just want to check

on the progress of the museum over the next weeks and months you can do that by going to [www.nationalmustangmuseum.com](http://www.nationalmustangmuseum.com). If you think you may be attending, let me know so we can possibly get a little something together to help represent DVMA.

On another subject, many thanks to our members, Barb Guidotti, Dave Wallace, and Ed Guldner for going through our club storage locker and cleaning out a lot of "stuff" that has accumulated over the 37-year history of our club. Over the years we have received a number of large product advertising banners that we will bring to the July meeting. They will be free for the taking (they would make some cool decoration for your garage walls). If not taken that evening we will be disposing of them. So thanks again Barb, Ed, and Dave.

And last, but definitely not least, the nomination of potential club officers will begin at the July meeting, so start thinking about who you want to lead the club. Voting will be in August both online, by mail and at the meeting. So please be sure to attend the July and August meetings. The future of our club needs your input.

That's it for now. See you at that July meeting on July 13 at Fuddrucker's, Concord at 7pm. Be there.

John Haugrud 925 691-1882, [hogdude@astound.net](mailto:hogdude@astound.net)

## Golden Hills Biggest Little Car Show (Continued)

## Magic of Mustang (Continued)

Well, it rained a little bit! Race informed Harry on Sunday morning that there had been rain before noon, about 10:30 am. It was just enough to make a mess with the pollen on the cars that were still parked on the show field. Since Harry moved his car indoors on Saturday evening, he didn't know about any liquid sunshine until presented with info that it had rained. Sunday's clouds drifted away for a beautiful day on the show field. But the damage was done!! It had rained. Note that Harry didn't get rained on.

Joe Dearing arranged a fun drive to Reno for Magic of the Mustang MCA National Show on June 3-5, 2016. When everyone arrived at the meeting location on Thursday June 2 in Concord to begin the trip, Joe distributed MapQuest info so no one could get lost! Joe and Sharon Dearing in their 2003 Roush convertible, John and Anne Haugrud in their 2007 GT500, Harry and Karen Davis in their 2006 GT, and Dave Wallace in his 2006 CA Edition 181 met at 10:00 am. Two cars had CB radios. Driving east on I-80, everyone stopped for breakfast at Black Bear Diner in Auburn. After a leisurely break, drivers headed for the last leg. Along the way, Tim Haley and Dave Miller in Tim's 2007 coupe found the group and convinced Dave Wallace to follow them to the Peppermill parking area. The Peppermill is a large property with an impressive entryway, and excitement for the adventure was building! After registering in the hotel, everyone parked and got ready to get the cars classified and entered into the Show on Friday morning.

John worked with the classification team to get cars into the show and Ron Freitas and Hugh Blackwell were judges. Note that the temperature was about 100 degrees on both Friday and Saturday in Reno. Larry and Janet Booth and Roger and Sadie Canfield arrived with their cars without pre-registering but the show was full and they couldn't enter their cars for judging. Elizabeth and Race Cofer with Cathy Guzman drove Elizabeth's 2008 Roush P51 to the show for judging. Roger and Frances Davis arrived Friday morning and got their 2009 GT500 cleaned up and entered in the show for judging. Lou and Lori Cooper arrived for festivities. Brian Denning entered his 2005 GT for the first time in an MCA National Show. Ron, Jan, and Bradley Freitas enjoyed the weekend. Mike and Michelle Rossa, with daughter Danielle, entered their 1965 flamed convertible in the show and had a great weekend with old friends. Ron and Cindy Bramlett attended and worked with MCA all weekend. Karen Davis

## First Saturday Breakfast on July 2nd

We held the breakfast at Dad's Café in Brentwood this month. Giant Chef Burger closes the 4th of July weekend for cleaning. There were 10 people in attendance and had a great breakfast at a beautiful place. The delightful waitress' name was Shelby, too. We will be returning to the East County more often, possibly every 3rd or 4th month.

## DVMA General Meeting Minutes, Fuddruckers, Concord, CA June 8, 2016

The meeting was called to order by President John Haugrud at 7:05 pm at Fuddruckers in Concord CA.

WELCOME to everyone in attendance.

MAGIC OF MUSTANG, the MCA National Show by Reno Mustang Club, was a well-organized and fun Show June 3-5. Seven DVMA members received Gold and Silver awards when showing their Mustangs. Jane Crowden's 1979 Indy 500 Festival Pace Car received its Blue Grille Medallion, presented to her three daughters; this was Jane's greatest dream. See the latest Mustang Times for the full story. The entire weekend was a wonderful time for DVMA members, although the days were 100 degrees warm. The Peppermill provided a perfect Show field, and also great rooms and large public areas. Many members watched the Warriors game(s) on large screens.

COBRA EXPERIENCE event on June 4 had a great turn-out with very nice cars. It was a fun trip for those who attended.

OFFICER NOMINATIONS are coming up – club officer nominations will be in July and elections in August. Consider being part of the future of DVMA.

WEBMASTER – Jim Blair – Jim has updated the website and is providing a page dedicated to Feedback. He has downloaded Car Show photos. Soon Jim will have a page for Ron's drive to Indianapolis so drivers can keep everyone updated with the days' drives and activities. Note that DVMA's public Facebook page has about 5000 links and lots of followers. Jim plans to include a section for Sale items, both cars and parts. Send a picture and info to Jim to include on the "For Sale" page on the website.

BIRTHDAYS and ANNIVERSARIES – Anne Haugrud announced the list of birthdays and anniversaries for June. Congratulations to each birthday person and anniversary celebrants.

MCA REGIONAL DIRECTOR and REP – Ron Freitas – Ron reported that the routing for the 40th MCA Anniversary drive to Indianapolis is available. Ron distributed a written schedule. Anyone can join at any time or at any location. Much of the route is on the Old 40 route. The Sacramento club is joining at least for the first leg of the journey. The schedule includes 5-6 days to get to Indianapolis with stops at various attractions, and 5 days to return. A side trip in Colorado is planned. Ron asks for anyone interested to help by checking for activities and/or attractions along the route.

SPEAKER – Ian Wortherspoon. Ian has items of interest for DVMA members; items also are for sale for \$1. Living in Pleasanton, Ian attended the Good Guys Car Show and found the perfect widget to add to carbure-

tors. The widget just takes minutes to put it on, and the car will have more and better responsiveness to the driver. Of course that might mean that the driver will lose any gained gas economy by simply enjoying the car more! Ian distributed an explanation page for anyone interested in improving their car's performance.

Members enjoyed a break for cookies and discussions.

MEMBERSHIP – Ed Guldner reported 81 DVMA members at this time. Mike and Michelle Rossa have renewed their membership.

NEWSLETTER – Ed Guldner – Ed reported he has articles about the Magic of the Mustang Show, along with photos. Jim Blair took a video of cars at Golden Hills and will send info to Ed. Ed has one Car of the Month and needs more articles. Whoever attends Ponies and Snakes is asked to write an article and send it to Ed.

SECRETARY – Karen Davis – Karen thanked all for coming and enjoying the meeting. Minutes will be in the newsletter.

TOUR DIRECTOR – Karen for Harry Davis said all events are listed in the Event Book.

June 18 – VMOA 39th Annual Car Show, Campbell.

June 18 – SAMC, 20th Annual Car Show at the Marriott XX, Rancho Cordova.

June 18 – Napa Ford Annual Car Show.

June 26 – Ponies & Snakes, Danville Livery, Danville.

July 4 – Fourth of July Parade in Concord. Contact is Karen Davis.

Please sign up in Event Book.

July 5 – Cool Concord Cars at Todos Santos Plaza. Other car clubs will be invited. Contact is Elizabeth Cofer.

August 19 – Visit to Mecum Monterey. Meet at Sun Valley Mall, Concord to drive to Monterey. Contact is Jim Blair.

VICE PRESIDENT – Dean Cofer – The raffle winner was Ed Guldner!

CLUB STORES – Joe Dearing has caps, both club and Show, from the Club Stores for members to buy.

SGT at ARMS – Joe Dearing - Joe led the Name Badge Raffle fun. Raffle winner was Mike Russell.

The next DVMA meeting will be July 13, 2016.

The meeting was adjourned at 8:05 pm by John Haugrud, President. Respectfully submitted by Karen Davis, Secretary
