THEY'RE BACK FOR MORE

Most of our 2017-2018 officers are returning for another year of service and we begin by thanking them for their commitment to our club and the hobby that we all enjoy—Mustangs! Thanks, Karen, for the following article detailing our Installation Dinner. We had a great time, and one of the cam shafts seems to have found a *permanent* home with Harry Davis!

DVMA Installation Dinner, El Tapatio, Pleasant Hill CA September 17, 2017

There were 15 members at the DVMA Installation Event held indoors at El Tapatio in Pleasant Hill, CA. President Harry Davis welcomed everyone.

After a fun and excellent buffet dinner, Harry introduced and thanked all 2016-2017 Board Members for their involvement and dedication in the past year. Those Board Members present from the 2016-2017 Board included Harry Davis (President); Karen Davis (Secretary); Dwight Moreland (Treasurer); Joe Dearing (Board Member); Ed Guldner (Board Member and Membership); John Haugrud (Tour Coordinator and Past President); Anne Haugrud (Newsletter Editor); Sharon Dearing (Hospitality); and Juan Renteria (Sgt at Arms). Harry also thanks Jim Blair (Vice President and Webmaster) and Ron Freitas (MCA rep and Board Member) for their contributions over the past years.

Harry introduced and welcomed all Board Members for 2017-2018 year beginning Sept 1, 2017.

The incoming Board Members for 2017-2018 in attendance included Harry Davis (President); John Haugrud (Past President and Tour Coordinator); Karen Davis (Secretary); Dwight Moreland (Treasurer); Hugh Blackwell (Board Member); Roger Davis (Board Member); Ed Guldner (Board Member and Membership); Anne Haugrud (Newsletter Editor); Sharon Dearing (Hospitality); and Juan Renteria (Sgt at Arms). Jim Blair is the Webmaster for 2017-2018

El Tapatio is an excellent venue and provided a private room for fun conversations and food with friends. DVMA paid a portion of the food cost for all members at this dinner.

Raffle prizes were won by members present, including Sharon Dearing, Christopher Theodorou, Harry Davis, Ed Guldner, and Joe Dearing.

And then the CAM SHAFT Award – both cam shafts were present. The first raffle ticket pulled belonged to John Haugrud, and the second shaft went to Harry Davis (after much agony over the ticket numbers this year after the ticket number agony last year). Both of those autographed cam shafts will appear at next year's Installation Picnic.

The next DVMA meeting is Wednesday, October 11.

DVMA DISPATCH

President Message

We had a great time at El Tapatio with the Installation event. Our group was smaller than last year but the fun was larger. We missed you if you couldn't be there. There were raffle prizes courtesy of DVMA and they were all interesting and well-received. The Cam Shaft tickets – who could have guessed that John and I would be the grand winners! So one of the cam shafts will be in my garage for another year. Somehow it seems that I have the “lucky” ticket every year!

At our last DVMA general meeting, Larry from the Food Bank came to our meeting and was presented with a \$500 check from DVMA. He was appreciative of everything that our members are doing to benefit the Food Bank. Money is definitely good for the Food Bank; there are distribution trucks that take gas, and storage facilities that cost money, and needs that sometimes are not met with donated items.

Coming up is the rescheduled Yosemite drive on Oct 14. Some of us are going to drive for the day and some of us are staying overnight. There is a drive to Knights Ferry on Oct 21 and more activities are planned for November.

Our next meeting will be Oct 11 and you can get all the details as well as be part of future activities and excitement. See you there!

IMPORTANT NOTICE

Those pesky but oh-so-necessary membership renewals are now due. Please get them in the mail to the club mail box at PO Box 21674, Concord, CA 94521 or bring cash or check to the next club meeting on October 11. Your membership dues go towards defraying the cost of many of our activities and help us help others with our charitable donations. Get them in ASAP and make our Membership Chairman, Ed Guldner, VERY happy! Thanks!

IT'S NOT TOO LATE....

Now that the intense heat of the summer is over, it's time to "head for the hills". We have several tours coming up that should fit the bill.

First, there is still time to ride along on Harry's trip to Yosemite on Oct 14. I want to see where all that rock came down off Half Dome!

Second, on October 21, we're driving up to a very historic covered bridge over the Stanislaus River. There's plenty to see there including walking over the restored bridge. Lunch will be at a bustling 50's themed restaurant right there.

And third, on November 11, Veteran's Day, we'll be running up to the Sacramento area to the Aerospace Museum of California for a FREE guided tour led by an extremely knowledgeable docent, our very own Chris Theodorou. It should be a very interesting afternoon—and it's indoors. We need to leave fairly early on this one because of the heavy attendance on a free day . We want to be able to get good parking.

So, join us for some great trips with some great people! Sign up in the Tour Book at the next meeting!
