DVMA - Fourth of July Parade in Concord

Concord's 2018 Fourth of July Parade had five cars! This year DVMA was Entry #40 and moved into the parade line about 10:42 am. The beautiful Mustangs were decorated with flags and bunting and polished to shines. Ed Guldner in his 1965 Rangoon Red Convertible 200; Juan and Norma Renteria in their 2013 Black Coupe 5L; Karen Davis in her Vista Blue 2006 GT; Bobby Hubbell and Lisi Dennis in his 2010 Black Cobra GT 500; and John and Anne Haugrud in their 2007 White Shelby GT500. The route lined up at Mount Diablo High School on Grant Street and then went out and around Todos Santos Plaza, returning on the back side of the high school. The parade lines were filled with people and children. This was a great event and a fun morn-

DVMA DISPATCH

President Message

August is the month for officer elections!!! It always is a month of beginning for DVMA and the future of our members. Voting will be held at our general meeting on August 8. Be sure to be in attendance, vote, and be part of DVMA future.

Officer nominations were held at the July meeting, with an email offering any other nominations to be mailed to DVMA post office box by July 20. I have called members to get their reactions and desire to serve on the Board. Or, be part of that particular social group!

In addition, on August 8, DVMA will have a guest speaker – Robin Paulsell. Robin will talk a bit about MCA and I know you will want to hear what he has to say about MCA. DVMA is an MCA regional club.

In July, there were a couple fun events for members and Mustangs. Concord's Fourth of July Parade on **July 4** was nostalgic, fun, just like old times. Then, Cool Concord Cars on **July 10** was a great event, with almost 100 cars in downtown Concord. Some of our members helped to park the cars, which was rewarding and interesting to see those beautiful cars drive in.

DVMA has planned the annual Installation Event for Sept 22, at 6:00 pm. Keep that date. And of course, I have to pull the Cam Shaft out of its hiding. There will be two cam shafts for lucky winners at the Sept 22 event.

I hope to see you at our meetings and events. Our meetings are now being held downstairs at Fuddruckers, which lets you stay closer to the ice cream! Thank you for being part of DVMA.

Harry Davis

IT WAS A WARM NIGHT FOR COOL CARS

The vibe was laid back , the music was live and jazzy, the grass was cool, and the cars were a mixture of muscle and funk. Cool Concord Cars was another success and our club's job was to help with parking. This event gets larger every year and, unfortunately they were turning cars away towards the end because there just was no more parking spots left. It pays to pre-register for this event. Several of our members entered their rides and we all met up at the Spaghetti Factory afterward for some serious pasta consumption. Thanks to Elizabeth Cofer for letting us participate in the fun. It was great!

The Midwest Shows Off It's "Muscle"

John Haugrud and Hugh Blackwell, two of our MCA Gold Judges, headed to Lincoln, Nebraska a couple of weeks ago to lend their expertise in judging the beautiful cars that came from all over the country to participate in the MCA Pony Express National Mustang Show in Lincoln, NE. The weather actually cooperated (thank goodness, because all the cars were outside) and the cars were very high quality. The show was well organized and well attended. Here are a few pics taken by judge and "Mustang-Admirer-at-Large", Hugh Blackwell.
