## DVMA DISPATCH

Hope everyone had a great Thanksgiving as we did with family, friends and a great turkey dinner. Anne cooked, as she does every year. One Thanksgiving, after cooking the exact same menu for about 40 years in a row, she decided to change it up slightly with a couple of different sides and a “delicious” pumpkin soup for a starter. Well, the family revolt was immediate and complete! She was gently but firmly advised that she was not to mess with perfection NEXT year. Why change something that is perfect, I always say.

That leads me into my next subject, the 2018 Ford Mustang. As most of you know, I enjoy the art of restoration of the ‘69-’70 Mustangs, the Boss and Shelbys being my favorite. The classics not only look great but sound mean when you’re just sitting at a stop light! Today, Ford continues to move forward with the 2018 GT Performance Package. The 5.0 GT has 460 horsepower with 420 foot pounds of torque, with a 10-speed automatic transmission. With the flip of a switch you can change from normal to sport to track options. The new digital dash is a great addition because it makes it so much easier to read. So we come back to the same question: “Is change good?” Well, if you’re driving a new Ford Mustang, the answer is definitely yes. The new generation of Mustangs are definitely fun to drive. Just don’t mess with Thanksgiving turkey dinner. I’m pretty sure that’s a law, right?

I would like to wish you all a very merry Christmas and a happy New Year from me and my family to all of you.

## EVEN IF YOU DON’T LOOK GOOD IN YELLOW...

come out and join us for our quarterly street cleanup along Diamond Blvd in Concord. We always have a great time and it’s an opportunity to get to know other members who you may not be as familiar with. There’s nothing that bonds people like picking up interesting and sometimes disgusting trash! Don’t worry, no tetanus shots are necessary! The reward is going for breakfast at Giant Chef Burger afterward and more great stories and conversation. See you next time, currently scheduled for February 2; meet at Seafood City parking lot if it’s not raining.
