

USA Softball requires Individual Registration for all teams competing in USA Softball Championship Qualifiers. These tournaments consist of all Local Association Qualifiers (North Carolina State Championship), Open National Qualifiers, Regional Qualifiers, and Hall of Fame Qualifiers. The reason is to provide a database of the players and coaches in all 50 states playing in these tournaments around the country so that they all meet the same requirements.

#### Benefits of Individual Registration:

- \* Includes USA Softball membership and accident & liability insurance
- \* Players are insured to play on any USA Softball registered team no matter where they play softball or what the sanctioning body (NSA, Softball Nation, Top Gun, PONY, USSSA, WFC etc)
- \* Registered players are eligible pickup players for the same or higher classification team for Championship play
- \* \$250 deductible for insurance
- \* USA Softball of USA Photo ID's and non-photo ID's available for Travel teams
- \* "Certificate of Liability" is available for your team and your practice or playing facilities at no additional charge to you or the facility's owner
