

SWAINBY FILM CLUB

Welcome to Swainby Film Club newsletter. If you have looked at the Village Hall web site (swainbyvillage.com) some of what follows you will already be aware of.

The next film we will be showing, on Dec 8th is 12 Years a Slave, which came top of the suggestions list. Doors open 7pm for 7-30pm showing

At this showing we will be asking you to pay your subscriptions for the rest of the year, which has been calculated at £24 for the remaining six showings. If you do not wish to join the club we will charge you £5 to watch the film, and each subsequent film.

On the subject of subsequent films, (as Strictly would say), in no special order, the following were the next five most requested on the list, so we will try to include them in this year's programme;

War Horse, Chicago, The Grand Budapest Hotel, Slumdog Millionaire. Les Misérables

We will keep you posted as to showing nights, and any changes that we may have to make,

The dates selected at the moment are Jan 12th, Feb 9th, Mar 9th, Apr 6th and May 11th.

The Film Club is open to all, including non-residents of Swainby. Please get in touch via the website or see me if you require any more information.

We look forward to seeing you at our next screening.

Don't forget you can bring your own refreshment and your comfortable cushion.

See you at the 'Pictures'
