Happy Spring B3!

Y’know that old saying... Spring is just around the corner? By the time this is in your inbox, it will be completely out from around the corner and here! The riding season isn’t far off and I tell ya... I cannot wait!

Amanda and I went to get our Trike back from Honda Marysville on the 19th. When we walked in, the kid looked up as I introduced myself and said why we were there, a horrified realization came across his face and he said “Um, yes, we were just getting started on cleaning it up.” We’d arranged for that ahead of time – to have it detailed before we rode it home. Anyway, it really didn’t take all that long and they rolled it outside. The bike looks amazing and everything was awesome… until. There’s almost always an “until” isn’t there? One of the light accessories (a “swoop” light on the side of the trunk) we had put on wasn’t “on.” It’s supposed to be a turn signal and a running light. The turn signal part worked, but not the running light. I pointed that out, and they quickly rolled it back into the shop to fix – but to no avail. “Bad light” they said & would have to get Kuryakyn to warranty it. I could have taken the bike home & brought it back, but with the weather forecast for the next two weeks, we just decided to leave it there.

Anyways, apart from that small snafu, we had a ton of lights put on, a rear spoiler, got a new front tire, new front brakes, 24k service, the whole ball of wax. Just in time for the TRC Course in Nelsonville on May 5th. Many of our members are headed down there to take the class, and it’s not too late to join in – I saw an email from Robert G. with the registration numbers for all the courses this year, and there’s lots of room everywhere. I highly encourage taking the course not only for the safety aspect but can also enhance your knowledge, skills and abilities. Tom should have a registration form in this newsletter or if you prefer I can send one to you.

Our next monthly Gathering on April 7th coincides with the District Spring Officers meeting in Mansfield, so our MESC Mary Bayes along with her husband Ben have graciously agreed to facilitate. Bob & Suzan Sestito will be greeting and Tom & Mary Ann Baughman will be on kitchen patrol. Also, since we’re going to be attending the TRC Course on May 5th, our ACD’s Pam & Robert Vogel will be facilitating the monthly Gathering that day. If the weather cooperates, by all means go for a ride after!

At the time of this writing the Easter Egg Hunt in Obetz is next weekend – we’re hoping for good weather and a great turnout. At our Team Meeting the other night lots of hands went up when Esther asked for a head-count, and many thanks ahead-of-time for those who joined in. Amanda and I are really looking forward to it.

Tuesday, March 6 we had a dinner outing to Smoky Bones in Grove City. B3 filled up several tables and good food & happy times abounded. It won’t be long before we get to do those outings and morph them into true Dinner Rides!
(Continued on next page)
You can bet Amanda and I will be watching the sky.

This past Saturday, March 17 saw our Movie and Game Day extravaganza at Sue & Wendell Gundy’s home. Great food, good times and the best of company were had. We never got to settle in to watch a movie so we’ll have to do it again sometime. We got into a killer knock-down-drag-out death match playing Phase 10 and saw our daughter Doree come right down to the wire racing Sue to the winner’s circle. Sue won the day to rambunctious cheers all around. I’m not sure who won but Ben, Wendell, Bill and Steve were tearing it up playing Euchre on another table. Suzan, Esther, Pam, Evelyn, Judy (a guest of Bill & Esther – potential new member?) and Bob were heavily involved in a home grown game and judging by the sounds coming from over there it was rather intense.

For all these outings and events, if you missed it you can still catch up & see pictures on our B3 Facebook page: https://www.facebook.com/GWRRAB3

Look to the Ride Calendar and Web site for upcoming events – if the weather allows we may insert a ride here and there so stay tuned.
Ride safe!

Robert Vogel
Assistant Chapter Director

Hello fellow riders. Well the weather has brought out the motorcycles, and as I write this I was going to ride today, but got the bike out of the driveway and sure enough, the clutch master cylinder quit working. It is time to get your bikes checked and ready for riding season. It is better to check today while the weather is questionable and not when a great ride is planned.

We had a great turnout at Sue and Wendell’s for game day. The games were fun and the food was great, especially Steve’s cheesecake. Everything is better with great friends.

The coming events for April are the Gathering on the 7th, the Ladies Lunch on the 12th, and the mid-month on the 19th. There is a chapter ride to Loudonville on the 21st, and a dinner ride to Gypsy Joe’s on the 24th. All the times and locations are on the ride calendar.

For the Officers meeting April 7, your CD and ACD will not be present, but thanks to our great group, Ben and Mary graciously volunteered to do the meeting, a big thank you to them.
May you ride with the wind, 
Never ride faster than your guardian angel, and enjoy this beautiful country and life we have.

See all of you soon
Robert Vogel
Assistant Chapter Director

**MEMBERSHIP ENHANCEMENT & SOCIAL COORDINATOR**

**ACHEIVING THE VISION:** GWRRA provides a culture which fosters Members with shared values, team concepts and camaraderie. This culture also provides its Members with opportunities for personal development and achievement.

Does this particular element sound like it could be part of the foundation for GWRRA's motto 'FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE'? Friendships usually form when people with shared values begin to associate with each other, resulting in a spirit of familiarity and trust, which is the definition of camaraderie. Another definition of camaraderie is the experience of good fellowship—fun. And what results in more satisfaction than a bunch of friends working together as a team to accomplish a shared goal???

The GWRRA VISION is an all-encompassing statement of how GWRRA leadership functions to grow the association. GWRRA's Divisions work harmoniously as a team to increase the Membership vase by creating an atmosphere that provides fun, promotes safety, and heightens knowledge, and by offering a full range of desirable services and benefits for its Members.

Divisions, known as Programs, include Rider Education Leadership Training, Membership Enhancement, and Operations. Operations consist of the Directors and Assistant Directors who are the leaders (Cheerleaders) of the team. Rider Educations and Leadership Training function to promote safety and heighten knowledge while Membership Enhancement focuses on the Fun, not to say that participation in Rider Education and Leadership can be FUN too!!!! Another part of the vision element involves the Member Benefits which are too numerous to detail here.... (Check out the Benefits under Membership at [www.GWRRA.org](http://www.GWRRA.org).)

(Continued on next page)
These programs teams all work together in an effort to make membership in GWRRA the best experience it can be-keeping current Members and attracting new ones.

A vision statement is a goal for the long term. It is an idealistic planning tool describing goals which may be attained. These may have seemed like oversimplified goals in support of the mission to become the best motorcycle association of Friends sharing in FUN, improving SAFETY of motorcycling and giving the Members KNOWLEDGE they can use every day. However, what may have appeared to be simple has sustained our Association for well over 40 years and will lead us into the future....

THE MORE YOU KNOW, THE BETTER IT GETS!!!!!!!!!!

PLEASE KEEP THE FOLLOWING IN YOUR THOUGHTS AND PRAYERS.....
Pat Richards: Having health issues, they gave been running tests to find the problem....
Ed Richards: Health issues...We are so glad that he is now feeling so much better........
Robert Vogel: His father is having problems and not getting better....
Ken Daft: is still going thru the aftermath of his bout with shingles.....
Should there have been someone that I have missed, please let me know............... Make sure to check your Renewal dates so you will be current with GWRRA.........

Mary Bayes

FROM THE DISTRICT EDUCATORS
Robert G & Angela WILLIAMS

I want to thank Bill Wilson for finding this poem from a Newsletter Article that our own Linda Capeland had written back when she was the Chapter Educator of OH-R. It was good advice then as it is today.

Enjoy!! Riding Season is almost upon us.

TEN LITTLE MOTORCYCLISTS

Ten little motorcyclists, cruising down the line, one had a heavy hand and then there were nine.

SPEED LIMITS ARE SET FOR YOUR SAFETY.

Nine little motorcyclists, the hour was getting late, one dozed a moment and then there were eight.

A TIRED RIDER IS A DANGEROUS RIDER.

Eight little motorcyclists, and the evening seemed like heaven, one showed his riding skills and then there were seven.

RIDE SENSIBLY AND SAFELY AT ALL TIMES. A MOTORCYCLE IS NO PLACE FOR A CLOWN.

Seven little motorcyclists, their lives were full of kicks, one brought a bottle and then there were six.

GASOLINE AND ALCOHOL ARE A DEADLY MIX. NEVER DRINK AND DRIVE.

Six little motorcyclists, impatient to arrive, one jumped a traffic light, and then there were five.

DON'T GAMBLE YEARS OF YOUR LIFE TO SAVE A SECOND.

Five little motorcyclists, touring near the shore; one viewed the scenery, and then there were four.

CAREFUL RIDING DEMANDS YOU STAY ALERT AT ALL TIMES.

Four little motorcyclists, happy as could be, one passed upon a hill, and then there were three.

NEVER PASS ANOTHER VEHICLE WHEN YOUR VISION IS OBSCURED.
Three little motorcyclists were busy. It is true, one neglected bike repairs, and then there were two.

**FOR SAFETY’S SAKE, ALWAYS KEEP YOUR MOTORCYCLE IN TOP CONDITION.**

Two little motorcyclists, and the day was nearly done, one didn’t dim his lights, and then there was one.

**SLOW DOWN AT DUSK OR DARKNESS AND ADJUST YOUR RIDING TO EXISTING CONDITIONS.**

One little motorcyclist is still alive today, by following the safety rules, he hopes to stay that way.
