Greetings B3!

It's a wonderful summer day here in Lancaster – cooler and raining outside. We're moving into a week or so of continuous rain, at least according to the forecast, and I for one am hoping it won't be a complete washout. We have quite a few really good rides coming up, and we're only about half-way through the riding season!

We've already had so many great rides this year – both scheduled and unscheduled. Following our July Chapter Gathering, Ben Bayes led us on a completely made-up-on-the-spot ride where we rode down through the wilds of southern Ohio and went to see the murals on the floodwall in Portsmouth. Great weather and an amazing ride! Sue Gundy put some great pictures up on our Facebook page so be sure and check 'em out.

We had a dinner ride on the 10th where Fitzzy's Diner saw a flood of yellow shirts invade their café. Many thanks to all who came out. The ladies lunch to Sunny Street Café was likewise well attended.

On July 14th, B3 journeyed north to Marysville and participated in the Pediatric Brain Tumor Foundation Ride for Kids. It was a first-time thing for Amanda and me, and a great event put on for a good cause. Steve Hombach and Margaret Moore both volunteered to have Gold Star survivor's ride with them, and many kudos shout out to the Marysville Police Dept. and the Union County Sheriff's Dept. for escorting a large group. With a count of 119 bikes (Cleveland only had 43 – HA!) and every intersection and crossroads blocked we had a great ride out through the countryside around Marysville. It took over an hour and we ended up back at Partner's Park in downtown for a great lunch and door prizes. B3 got called out several times as a group attending the event in what was great recognizability for the Chapter. And we weren't the only GW types there - Chapter Y also came to the ride and brought with them a sizeable donation. Following the main ride, Ben again stepped up to lead us towards home with the mandatory stop along the way for ice cream. By the time Amanda and I got home we'd put well over 200 miles on our bike. Many thanks to all who attended this worthy cause.

B3 has quite a few great rides coming up and with August just around the corner Wing Ding isn't far behind. GWRRA just recently added hotel spaces to their list of lodging availability so there's still time to attend if you so desire.

That's about it from the CD's chair for now. Amanda and I both hope your summer is going great and will see you on the road.

July 7th – B3 headed to Portsmouth

August 2018

After a stop at the Second Street Dari Crème (\$1 milkshakes – amazing!), it was on to tour the floodwall murals . . .

Then a slight detour to Kentucky so Amanda could hit three states during the week ☺...

and headed home...a very warm but delightful day.

August 2018

The forecast of thunderstorms on the 21st called for cancellation of our chapter ride to Grandma Jo's Polkadot Café in Moundsville, WV. Never let it be said, however, that B3 can't turn a rainy day sunny: Bowling at Tiki Lanes . . .

... was followed by lunch at Pizza Cottage.

THE LOVE OF MOTORCYCLING

Our love of motorcycling is hardly unique, taking into consideration of 70,000 Gold Wing members. The love of touring on a Gold Wing is very much shared by other. But, actually it does not matter who makes your motorcycle, the love of riding is the same.

Knowledge is the power in a recurring theme throughout GWRRA and one of the core values, but it is not the most important of them; that would be Friendship. Our Motto is "Friends for Fun, Safety, and Knowledge", that is the reason for the motto in that order.

There you have it six little words that convey the essence of our organization and the reason GWRRA exists. So being a member volunteering, going on Chapter rides, going to the business meetings, and attending Chapter Gathering and other activities planned by the Chapter keeps a member active and involved. In other words, making the "FUN" happen within the Chapter. Thus making ours an exciting Chapter. Remember to always mingle among all members and guests that are gathered.

With that being said it is now time to "RIDE." Ride safe and always have "FUN"

Please remember the following:

Bill Ford: will be starting a new series of medications, keep Esther in mind also.....

Evelyn Delong: Is back home again, Evelyn you have been missed.....

Ed Richards: As Pat is going thru medical testing and his brother is recovering from a heart attack.....

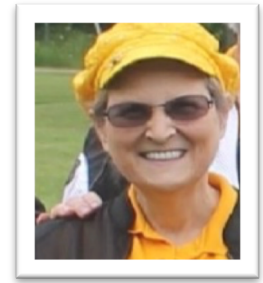

Shana Lewis and her husband Maurice were going to start riding with us, but she unfortunately suffered a heart attack. Their plans will resume when she has recovered. If you would like to send her a card, mail it to:

Mrs. Shana Lewis
2424 Sheridan Drive,
Lancaster, Ohio 43130

Our thoughts and prayers are with these members and also for anyone I might have missed.....
