Greetings B3

Wow... we never really had a Fall, did we? It seemed as if we went from Summer straight into Winter. Just like a Facebook meme said the other day; Summer didn't just fade away – it packed its bags & moved out overnight. Sadly, we had several rides on the schedule cancelled and/or severely hampered by the cold or damp conditions, but several B3's did get out and ride despite the temperatures - so way to go!

Fun Day was... fun! (sorry – couldn't resist that one) After the October Gathering many chapter members made their way to Randy Young's house for some good food and great games. The weather tried to hamper us again by turning hot then raining and back to hot but we persevered and made the most of it. Many, many thanks to all who came out to participate and bring their side dishes, desserts and games for all to enjoy.

Even though the sort-of official end of riding season is upon us, that doesn't mean everything grinds to a halt. As I write this, the Obetz Halloween Party event is swiftly coming up. If you're reading this after Oct 26 and you came out to help, many thanks! Also, we have our 2019 Ride Planning meeting approaching on Oct 27th, and again, if you're reading this afterwards and you came out to assist, many thanks.

Nov 3rd will see our last Gathering of the year and it won't be one to miss. Be sure to turn in your mileage for the year and let us know if you want a mileage bar. If you are planning on attending the B3 Christmas Party at Der Dutchman in Plain City on Dec 1st at 2:00pm, then you must bring your payment and pass it along to Francis. Cost is \$19.50 per person. Also, if there are open slots in the First Aid class coming up in January, (check with Gary Ballou for availability) then you need to bring your payment for that too. (its \$25.00).

On Nov 9th B3 will be meeting at the Obetz Community Center and assisting the District in setting up for the Fall Officer's Meeting being held the next day, Saturday, Nov 10th. The more we have the faster it'll go, and the District Staff will be there too. B3 is providing some coffee for the meeting, and we're having a bake sale to hopefully raise a little money for the Chapter. Bring your baked goods on the 9th and we'll ensure they get set out for sale. Tuesday Nov 13th will have our Dinner Ride to Clay's in Hebron, OH – meet there at 6:30pm. And finally, we will have our last 2018 Mid-Month Team Meeting on Thursday Nov 15th. We can finalize plans for the Movie–Lunch outing planned for Saturday Nov 17th, as well as the last few items on the Calendar up to the end of the year.

That's it from us for now. As always, ride often and ride safe!

OUR CORE VALUES

It is now time to turn our attention to the "CORE VALUES" of our association. These are values that "ALL" of our GWRRR officers from the Chapter level to the "top of the house" should strive to exhibit....

EXCELLENCE: Our quest for excellence includes an abiding pride in our association....

CHARACTER: Honesty, integrity, and commitment are the key character elements in developing trust and respect within our association....

FOCUS: Our focus is to meet the needs of our Members and provide leadership through our officers and staff....

ATTITUDE: Our officers and staff maintain a positive, enthusiastic, and creative attitude in their approach of providing an atmosphere for "FUN, SAFETY, AND KNOWLEDGE"....

FAIRNESS: The resolution of any issue should stand the test of "IS IT FAIR?" Is it fair to the Members? Is it fair to the Officers? Is it fair to the Association? These should all be considerations in everything we do....

COMMUNICATION: The more we share information and communicate about goals, values, measures, and rewards, the more effective we can be as individuals and as Members of the association....

TEAM WORK: Team work is the ability to work together toward our common vision. It is our ability to direct individual accomplishment toward association objectives. It is the fuel that allows all of us to achieve exceptional result....

TRAINING: Well-trained Officers and Staff will provide improved Member services and create increased position satisfaction....

QUALITY: To be the best that we can be and to hold the Members in highest esteem and respect will guarantee the quality of our association....

The core values form the basis of many other facets of the "Officer Handbook. Do these sound like the qualities you would like to see in our Chapter. They are simply easy to understand and if "YOU" keep them in mind as we go about running our Chapter, you will have happy Members and a thriving Chapter....

A copy of the Officer Handbook can be found at GWRRR.org.

Fall is here, the trees are colorful the air is brisk. Enjoy it, it will not last long.

Thanks for all the help with the Halloween party. Obetz certainly does a lot for their community and really appreciate your support.

Our November gathering will be the last time for us to bring food for the pantry before the holidays. Please bring whatever you can there is a great need this time of year.

Ladies lunch will be at the Cracker Barrel on 256, in Pickerington, at noon on November 8th.

Remember the Christmas party and the gift exchange. \$15 gift limit. Guys bring a gift for guys and ladies for ladies. Also if you could bring something for the door prize table.

See you at the next event.

Thoughts On The Mechanical World

Waterproofing Speakers – When replacing speakers on a Goldwing, take the “Waterproof” label with a grain of salt. Before installing, spray the speakers with clear lacquer (the type used to spray cars). Two or three light coats (front and rear) make sure they really are waterproofed and there is no noticeable difference in sound quality. You don’t have to have access to spray equipment to do this small job. Just buy a can of clear acrylic lacquer and do it yourself.

Other Districts' Events

Hello Goldwingers!

Attached is the registration form for the May 30 – June 1, 2019 Missouri GWRRA District Rally for your review and submission.

The 2019 Rally is pleased to offer you new attractions. Ride on the '**Branson Scenic Railway**' at 2:00 p.m. on Thursday, May 30th or 2:00 p.m. on Friday May 31st, 2019. The ride boards at Branson Landing and lasts 1 hour and 45 minutes. It is a 40 mile round-trip excursion through the panoramic Ozark foothills. You will go through tunnels and cross bridges & trestles. Your travel will be on vintage passenger cars pulled by the BSRX 98 Locomotive (1951) and the BSRX 99 Locomotive (1962) through Southwest Missouri or Northwest Arkansas. Being a commercial railroad line, The Missouri & Northern Arkansas Railroad will determine the train's direction of travel depending on the freight traffic just prior to departure. Historical narration is provided. There are 3 Budd Dome Lounge cars (1947, 1952). Seating is unassigned and you are encouraged to tour through the entire train. All the cars have been restored and refurbished to offer the same first-class experience and ambiance to today's passengers as to those they carried 50 year ago. There is a concession area aboard the Silver Lake Car (1951) that offers refreshments for purchase. And of course at the end of your ride, there is a gift shop in the train depot that carries many train items. It is suggested that you make your reservations through the attached GWRRA Registration form as early as possible.

The 2018 GWRRA Rally had an attendance of 576 people. Thank you Goldwingers! We aim to please each of you with the return of fabulous vendors, a new caricature artist, the highest cash 50/50 drawings daily in rally history, free meals, great discounted meals, and new vendors. And let's face it ... we have reasonable hotel accommodations.

This year we have Sight & Sound Theatre's **SAMSON** Biblical show discounted for you. This is an unforgettable exploration of the story of Samson. Sight & Sound Theatre combines original music and script with acting, special effects, vibrant costumes and live animals. You will follow the journey of Samson as he fulfills his path of obeying God. Samson was born with great strength and grew to face many trials, tribulations as well as triumphs. This is an immersive production and one of the best attractions in Branson.

Come to Branson ... I don't think you will be disappointed.

“Summer Roads”

There are blossoms on the hawthorn
That scent the morning breeze
And the oak and the ash and the copper beech
Are covered down with leaves
And the road is white in the morning light
As it runs down from my door
And the lark is high in the golden sky
And I'm on my way once more

Chorus:

Down Summer Roads all full of turns and bends
Summer Roads that lead to all my friends
Summer Roads by summer streams
Where I live all my winter dreams
And the good times always start down Summer Roads

There is music all around me
In every bush and tree
And the cuckoo and the corncrake
Keep calling out me
And the linnet's song rings all day long
To greet me as I go
And as I pass in the roadside grass
The magpie nods "Hello"

Chorus

In the quiet of the evening
I rosin up my bow
And I start in nice and easy
With something soft and slow
There's a faster beat in the village street
And the friends all start to sway
And the fiddle sings and the laughter rings
And they dance 'til the break of day

Chorus

There's a corner in my memory
Where all the good times stay
In all my summer ramblings
There are good times every day
'Round every bend, I find a friend
A welcome and a smile
And pleasant hours in fields of flowers
A memory every mile

Chorus

Tommy Makem
